Personal Injury Law Since 1927

Over 90 Years Ago

Joseph H. Lesser, the Firm's founder, began practicing law in West Palm Beach in 1927. He stayed active in the community and continued to practice law until his death in 1982. Joseph Lesser established the Firm's beginnings, both in terms of professional service and dedication to clients' needs, as well as setting the finest example of the importance of community service.

Since the beginning of our practice, we have put a high priority on community involvement and leadership. Our firm's lawyers continue to serve in leadership positions of numerous community organizations, including the United Way of Martin County, Jewish Federation, the Boys & Girls Club, Rotary Club of West Palm Beach, and Oakstone Academy of Palm Beach.

Joe created the foundation by which we still run our practice today. In addition to our superior results on our cases, we have been proudly continuing the traditions of service and hard work that Joe instilled in the Firm on for over 90 years.
